10	ingredients	For cherries and berries, indicate the form fresh, frozen, canned, dried, or candied.	This is important when the use of a specific one is preferred	cherries strawberries raspberries blueberries blackberries red currants white currants blackcurrants berries cranberries	fresh frozen canned dried candied			2	1
11	ingredients	For almonds, indicate “blanched” or “unblanched” when the use of only one is preferred.	This is important when the use of a specific one is preferred	almonds	blanched unblanched slivered blanch			2	1
12	ingredients	For anise, specify the form.		anise	extract oil seed star stars	liqueur flavouring licor tea vodka		2	1
13	ingredients	For bouillon, specify the form.		bouillon stock	cube? granule? powder instant paste cup can			2	1
14	ingredients	For caramels, indicate the flavor rather than the color.	This is important when the use of a specific one is preferred	caramels	vanilla chocolate fudge			2	1
15	ingredients	For cardamom, specify the form.		cardamom	ground powder seeds whole pod pods			2	1
16	ingredients	For cinnamon, specify the form.		cinnamon	ground powder oil stick	rolls sugar		2	1
17	ingredients	Indicate the form of clams.		clams	fresh canned can cans in shell			2	1
18	ingredients	Indicate the form of nuts.		pecan peanut almond walnut cashew pecans peanuts almonds walnuts cashews nuts	complete whole halves halved pieces chopped salted unsalted roasted unroasted toasted shelled unshelled crushed	oil extract vinegar butter		2	1
19	ingredients	Specify the form of peels, freshly grated, dried grated, cut in spirals, strips, or other form		orange peel lemon peel	grated freshly grated dried grated cut in spirals strip shredded zest			2	1
20	ingredients	Indicate the type of pepper.		pepper pepper	black white cayenne	hot red chili cheese cola green yellow soda		2	1
21	ingredients	Indicate the type of pineapple (fresh or canned).	If it makes no difference	pineapple	fresh canned can cans frozen	juice syrup		2	1
22	ingredients	Indicate the type of raisins.	If it makes no difference, it is not necessary to specify.	raisins	dark golden any kind			2	1
23	ingredients	Indicate whether canned tuna is packed in oil or water.	If it makes no difference	canned tuna tuna can can of tuna cans of tuna	oil water drained			2	1

#	component	text	explanation	first	second	exception	error	color	missing
24	ingredients	Specify the vanilla form.		vanilla	extract flavoring bean essence syrup	ice cream wafers frosting yogurt pudding cake vodka		2	1
25	ingredients	Indicate the type of vinegar.		vinegar	cider distilled white white wine red wine balsamic flavored rice white raspberry wine			2	1
26	ingredients	Specify the type of yogurt.		yogurt	plain unflavored flavored low-fat nonfat vanilla lemon greek strawberry peach apricot cherry natural blueberry raspberry any flavour any flavor apple coffee cinnamon fruit	ice cream		2	1
27	ingredients	Indicate the form of bread crumbs.		bread crumbs bread-crumbs	dry soft fresh seasoned whole wheat panko			2	1
28	ingredients	Indicate the form of bread cubes.		bread cubes bread-cubes	dry soft fresh seasoned toasted			2	1
29	ingredients	Indicate the form of olives.	If it makes no difference	olives	pitted unpitted			2	1
30	ingredients	Indicate whether cucumber is peeled or unpeeled if one is preferred.	If it makes no difference	cucumber	peeled unpeeled peel unpeel			2	1
31	ingredients	Indicate if grapes are green or red and seedless, if important to recipe results.		grapes	green red seedless seed	grapeseed oil		2	1
32	ingredients	Be sure to indicate whether the popcorn amount is popped or unpopped.		popcorn	popped unpopped uncooked kernels			2	1
33	steps	Indicate the size of the saucepan or skillet.		saucepan pot pan skillet	small saucepan small-saucepan medium saucepan medium-saucepan large saucepan large-saucepan small skillet small-skillet medium skillet medium-skillet large skillet large-skillet small pan small-pan medium pan medium-pan large pan large-pan small pot small-pot medium pot medium-pot large pot large-pot			3	1

#	component	text	explanation	first	second	exception	error	color	missing
34	steps	Indicate whether the cookware is covered or uncovered.		saucepan pot pan skillet	covered uncovered cover? uncover?			3	1
35	steps	Specify the intensity of cooking heat.		heat	low medium high medium-high medium-low med-high med	preheat pre-heat remove reduce off		3	1
36	steps	When appropriate in the recipe method, say, “Prepare according to package directions.”	This is especially useful when directions vary among different brands of a product.	cook pasta cook rice cook the pasta cook the rice cook noodles prepare pasta prepare rice	according to package directions package directions package instructions directions on package instructions on package as directed on package package directs directions on box box directions as directed on			3	1
37	steps	Use “Salt” and “pepper” as nouns, not verbs.		salt and pepper	season sprinkle	mix stir add whisk sift combine red yellow green salted water salt the salt and pepper the salt and pepper to taste salt to preference to taste preference beat crush toss blend marinate with cook	salt the salt and pepper the salt and pepper to taste	3	1
38	steps	Indicate the material of the skewers.	Wooden or bamboo skewers are frequently used in a microwave oven, whereas metal skewers are often preferred for grilling.	skewers	wooden bamboo metal			3	1

#	component	text	explanation	first	second	exception	error	color	missing
39	steps	Specify the type of pan.		pan skillet frying pan	nonstick pan nonstick-pan ceramic pan ceramic-pan stainless steel pan stainless steel-pan cast-iron pan cast-iron-pan nonstick skillet nonstick-skillet ceramic skillet ceramic-skillet stainless steel skillet stainless steel-skillet cast-iron skillet cast-iron-skillet nonstick frying pan nonstick-frying pan ceramic frying pan ceramic-frying pan stainless steel frying pan stainless steel-frying pan cast-iron frying pan cast-iron-frying pan			3	1
40	steps	When possible, avoid using "cream" as a verb—it can be confused with the ingredient.	You can often substitute the verb "beat" ("beat until smooth and creamy," or "beat until light and fluffy"). Some readers think the verb is a noun and will look for cream in the ingredient list.	beat the butter beat until smooth beat until creamy beat until light beat until fluffy			cream the cream butter	3	1
41	steps	Use stir, mix, or beat instead of "add" to be more specific.		stir beat mix incorporate whisk			add	3	1
42	steps	Give the reasons for doing something.	How can you convince the reader?	to prevent to remove in order to so that in order that				4	0
43	steps	Describe how a mixture should look or feel at a certain stage.	How can your recipe be easier to reproduce?	will be will look will feel should look should be should feel must be must feel must look				4	0
44	steps	Describe until when to do the actions.	How can your recipe be easier to reproduce?	until				4	0
